Your access to and use of the Service is also conditioned on Your acceptance of and compliance with the Privacy Policy of the Company. Our Privacy Policy describes Our policies and procedures on the collection, use and disclosure of Your personal information when You use the Application or the Website and tells You about Your privacy rights and how the law protects You. Please read Our Privacy Policy carefully before using Our Service.

To access certain features of the Service, You may be required to create an account. You agree to provide accurate, current, and complete information during registration and to update such information as needed. You are responsible for safeguarding Your account credentials and for any activities occurring under Your account.

You agree not to use the Service for any unlawful purpose, to input sensitive or confidential data without proper authorization, or to attempt to circumvent any security features.

Intellectual Property

The Service and its original content (excluding User Content), features, and functionality are and will remain the exclusive property of the Company and its licensors. The Service is protected by copyright, trademark, and other laws of both the United Kingdom and foreign countries. Our trademarks and trade dress may not be used in connection with any product or service without the prior written consent of the Company.

You grant Us a non-exclusive, worldwide, royalty-free license to use, store, and process any data or content You input into the Service solely for the purpose of providing and improving the Service, subject to Our Privacy Policy. You retain ownership of Your inputs and any

outputs generated by the Service, but We may use anonymized data for AI training purposes with Your consent (opt-in required).

AI-Specific Provisions

The Service utilizes artificial intelligence (AI) to provide real-time insights, assessments, and personalized educational strategies. AI outputs are generated based on algorithms and data, and may not always be accurate, complete, or free from errors (e.g., "hallucinations" or biases). You acknowledge that AI outputs are provided for informational purposes only and should not replace professional judgment, especially in educational or health-related contexts involving neurodivergent individuals.

We disclaim any liability for decisions made based on AI outputs. You are responsible for verifying the accuracy of any AI-generated content before relying on it.

We do not use Your personal data to train AI models without explicit consent. If You opt-in to data usage for improvement, You may withdraw consent at any time via account settings, and We will delete such data where feasible.

The Service complies with applicable AI regulations, including the EU AI Act (where relevant), by categorizing Our AI as low-risk and implementing transparency measures.

Links to Other Websites

Our Service may contain links to third-party web sites or services that are not owned or controlled by the Company.

The Company has no control over, and assumes no responsibility for, the content, privacy policies, or practices of any third party web sites or services. You further acknowledge and agree that the Company shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with the use of or reliance on any such content, goods or services available on or through any such web sites or services.

We strongly advise You to read the terms and conditions and privacy policies of any third-party web sites or services that You visit.

Termination

We may terminate or suspend Your access or account for breach of these Terms, with notice where feasible. Upon termination, Your right to use the Service will cease immediately. You may terminate Your account at any time by contacting Us, and We will delete Your data in accordance with Our Privacy Policy.

Limitation of Liability

Notwithstanding any damages that You might incur, the entire liability of the Company and any of its suppliers under any provision of this Terms and Your exclusive remedy for all of the foregoing shall be limited to the amount actually paid by You through the Service in the last 12 months or 500 USD if You haven't purchased anything through the Service.

To the maximum extent permitted by applicable law, in no event shall the Company or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, but not limited to, damages for loss of profits, loss of data or other information, for business interruption, for personal injury, loss of privacy arising out of or in any way related to the use of or inability to use the Service, third-party software and/or third-party hardware used with the Service, or otherwise in connection with any provision of this Terms), even if the Company or any supplier has been advised of the possibility of such damages and even if the remedy fails of its essential purpose. However, this limitation does not apply to gross negligence or willful misconduct.

Some states do not allow the exclusion of implied warranties or limitation of liability for incidental or consequential damages, which means that some of the above limitations may not apply. In these states, each party's liability will be limited to the greatest extent permitted by law.

"AS IS" and "AS AVAILABLE" Disclaimer

The Service is provided to You "AS IS" and "AS AVAILABLE" and with all faults and defects without warranty of any kind. To the maximum extent permitted under applicable law, the Company, on its own behalf and on behalf of its Affiliates and its and their respective licensors and service providers, expressly disclaims all warranties, whether express, implied, statutory or otherwise, with respect to the Service, including all implied warranties of merchantability, fitness for a particular purpose, title and non-infringement, and warranties that may arise out of course of dealing, course of performance, usage or trade practice. Without limitation to the foregoing, the Company provides no warranty or undertaking, and makes no representation of any kind that the Service will meet Your requirements, achieve any intended results, be compatible or work with any other software, applications, systems or services, operate without interruption, meet any performance or reliability standards or be error free or that any errors or defects can or will be corrected. We will make reasonable efforts to address reported errors.

Without limiting the foregoing, neither the Company nor any of the company's provider makes any representation or warranty of any kind, express or implied: (i) as to the operation or availability of the Service, or the information, content, and materials or products included thereon; (ii) that the Service will be uninterrupted or error-free; (iii) as to the accuracy, reliability, or currency of any information or content provided through the Service; or (iv) that the Service, its servers, the content, or e-mails sent from or on behalf of the Company are free of viruses, scripts, trojan horses, worms, malware, timebombs or other harmful components.

Some jurisdictions do not allow the exclusion of certain types of warranties or limitations on applicable statutory rights of a consumer, so some or all of the above exclusions and limitations may not apply to You. But in such a case the exclusions and limitations set forth in this section shall be applied to the greatest extent enforceable under applicable law.

Indemnification

You agree to indemnify and hold harmless the Company, its Affiliates, officers, directors, employees, and agents from any claims, damages, losses, liabilities, costs, or expenses (including reasonable attorneys' fees) arising from Your misuse of the Service, violation of these Terms, or infringement of third-party rights through Your inputs. We will indemnify You for claims arising from Our AI outputs infringing third-party IP, subject to the liability limits above.

Governing Law

The laws of the United Kingdom, excluding its conflicts of law rules, shall govern this Terms and Your use of the Service. Your use of the Application may also be subject to other local, state, national, or international laws, including data protection laws like the UK GDPR.

Disputes Resolution

If You have any concern or dispute about the Service, You agree to first try to resolve the dispute informally by contacting the Company. If unresolved, disputes shall be resolved through binding arbitration in London under the rules of the London Court of International Arbitration, unless You are a consumer entitled to court proceedings.

For European Union (EU) Users

If You are a European Union consumer, you will benefit from any mandatory provisions of the law of the country in which You are resident, including under the EU AI Act and GDPR.

United States Legal Compliance

You represent and warrant that (i) You are not located in a country that is subject to the United States government embargo, or that has been designated by the United States government as a "terrorist supporting" country, and (ii) You are not listed on any United States government list of prohibited or restricted parties.

Severability and Waiver

Severability

If any provision of these Terms is held to be unenforceable or invalid, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest

extent possible under applicable law and the remaining provisions will continue in full force and effect.

Waiver

Except as provided herein, the failure to exercise a right or to require performance of an obligation under these Terms shall not affect a party's ability to exercise such right or require such performance at any time thereafter nor shall the waiver of a breach constitute a waiver of any subsequent breach.

Translation Interpretation

These Terms and Conditions may have been translated if We have made them available to You on our Service. You agree that the original English text shall prevail in the case of a dispute.

Changes to These Terms and Conditions

We reserve the right, at Our sole discretion, to modify or replace these Terms at any time. If a revision is material (e.g., affecting Your rights or data usage), We will provide at least 30 days' notice via email or in-app notification prior to any new terms taking effect. What constitutes a material change will be determined at Our sole discretion, but We commit to not retroactively applying changes to data practices without consent.

By continuing to access or use Our Service after those revisions become effective, You agree to be bound by the revised terms. If You do not agree to the new terms, in whole or in part, please stop using the website and the Service.
